

Support Team, Friends and Family,

As you have probably heard by now, we believe that **God has called us to go to Haiti** and serve with Reciprocal Ministries International (RMI). We have been serving with RMI here in Florida, but the time has come for us to move to Haiti! We are incredibly excited about our ministry with RMI and ask you to join with us as we step out in faith. If we raise the necessary support, we will be moving in February 2010.

What will we be doing? Rob will primarily be Haiti Field Director and Becky will primarily be caring for our children. Rob will be managing and leading the field. He will be going out with some Sister Church teams. Rob will be providing direct oversight to all the ministries, church relationships, Hope for Kidz, projects, missionaries, national staff and finances on the field. In addition to caring for our kids, Becky looks forward to being involved in hospitality at RMI's Guest House there on the Mission Center. She also looks forward to helping from time to time with church medical teams and at the pharmacy at the Medical Clinic on the Mission Center.

Why? Primarily, **God has led us to do this**. Secondly, we see such **broad opportunity to be the hands and feet of Jesus** as we seek to extend His kingdom, specifically through RMI's Sister Church Program. We will have constant opportunity to invest in people, build them up, and mobilize them for ministry, there in Haiti and throughout the United States. We will have broad opportunity to love and care for the poor and broken.

If you already support us prayerfully and/or financially, **we thank you!** We couldn't have remained here on the frontlines of ministry for the last 5 years if it wasn't for your ongoing care, sacrifice, and generosity. We deeply appreciate what you have and will do for us.

RMI is a "faith mission", which means each missionary must raise their own financial and prayer support through individuals and churches. **We need to add to our team of people and churches who faithfully and sacrificially pray for us, encourage us, and support us financially.** Currently, we need to raise an additional \$1860 per month plus \$32,420 in 1x expenses (moving, shipping, equipment, vehicles, ministry setup, etc). Therefore, we need people to pledge to give monthly (maybe \$50, \$75, \$100 or more per month) as well as people to help us cover these 1x expenses to get us to Haiti.

- If you already support us regularly (monthly, quarterly, annually), would you consider increasing your donation? Would you also consider donating an extra gift toward our 1x costs to help us get to Haiti?
- If you do not support us regularly, would you consider doing so?
- If you are not able to support us monthly at this time, would you consider a special gift to help us cover our 1x expenses?

You can pledge to join our team, donate, and/or get more information at www.robandbecky.com. You may also send in the enclosed "Support Card".

We would love the opportunity to sit down with you and share our story, our need for support, and all that has transpired over these last years and months and what we envision happening in the months and years to come. We may be following up with a phone call to try and arrange a time when we can get together.

Serving Him,

Rob and Becky Thompson
